Belle Parc News – November 2026

Welcome Back Friends!
Welcome New Friends!

Safety Corner

- Getting dark sooner
  - For your safety, and that of your pets when you are out walking after sunset or before sunrise, please use a flashlight, wear light colored clothing or something reflective.
  - Bikes and golf carts must have lights on.
- Snowbirds arriving!
  - Be aware, while driving through the park, of walkers and more traffic.
  - Please do not park on empty sites.
- Alligators in ponds
  - We do have gators in our ponds so please do not walk close to the water's edge, especially with your dog.
  - Gators are most active at dawn and dusk.
  - Gators can run up to 11mph. Can you?

Belle Parc Caring Group

- This group can assist with meals if a guest is in the hospital or has other needs for assistance, as well as send a card (Get Well, Sympathy, etc.)
- Food Pantry in the Activity Center – leave it if you have it; take it if you need it. Non-perishable food only please.
- Please make the Office staff aware if you or someone you know needs any assistance. (352) 593-5852 or email to info@belleparcrvresorts.com
- All information will be kept confidential!
- So many of us do not have family nearby, and we want to be there for each other.
- If you are interested in serving on the Belle Parc Caring Group, your help would be appreciated. Just contact the office!

Belle Parc's own weather information! This data is available 24/7/365 from any internet connection.

We love our Pets!!

- All pets must be on a 4-6ft non-retractable (fixed-length) leash and under guests' control when outdoors. They should not be left outside without a guest with them at all times.
- Please visit our fenced Barc Parc near the off-site storage area for your pets to enjoy off-leash time!
- As always, pick up your own pet's poop immediately and do not allow them to urinate on guests' signs and yard decorations! Pets should not be more than 1' onto another guest's site unless invited.

Reservations Office (352) 593-5852 Option #1 – info@belleparcrvresorts.com

- We have rolls of quarters available for $10
- Call or email for work order requests. If reporting a broken washer and/or dryer please let us know what building location and the number on the machine.
- Check out our Belle Parc clothing, hats, and tote bags for sale!
- Please let us know if you are leaving for the holidays and who may be watching your RV while you're gone. A reminder that you will need an escort when you return if you take your RV with you.

Payments

- You can call, email, or come by the office to make payments for site fees, electric, high-speed internet, and storage sites.
- You can also set up auto payments by signing an authorization form at the office.

Please enjoy your stay and let us know if there is anything we can do for you!

Mail Center (352) 593-5852 Option #4

- Bob Cron works in the Mail Center on Mondays, Tuesdays, and Wednesdays. Nancy Short works on Thursdays, Fridays, and Saturdays. Hours are 10am-5pm. The back sorting area is Closed on Sundays but you can access your mail in your locked mail box or the locked Cubbies. When dropping off keys, please put in the locked box on the counter.
- If you have a letter key in your mailbox it will match one of the larger cubbies above or below the mailboxes. Please lock the cubby box after retrieving your package and drop the letter key in the Cubby drop box on the counter.
- Please pick up mail/packages daily as we receive over 100 packages per day!
- A Lost and Found box is located on the counter in the Mail Center lobby.
- If you are expecting packages/mail for someone other than the name(s) on your reservation, including nicknames, please let the Mail Center know. This will prevent it from being returned to sender. Correct site number is helpful as well!
- Check the mailing address for packages; it should be 11050 Elliots Way; include your 3-digit site number.
- Brochures for local "Things to Do" can also be found in the lobby.

Propane Delivery

Wednesdays

Laundry Facilities

- One facility is behind Maintenance Bldg. (dedicated machines for pet beds, blankets, etc.)
- One facility is behind the Fitness Center Bldg.
- Purchase rolls of quarters at Reservations Office, Mail Center, or Activities Office

Maintenance and Grounds

- Mowing is typically done on a weekly basis, but could change depending on the amount of rain we receive.
- Please remember that the dumpsters are for household trash and broken-down boxes only! Please do not use the large roll-off dumpster in the storage area. This is for Maintenance only.
- Furniture, mattresses, and household items such as TVs, appliances, fire pits, etc. need to be taken to one of the three landfills in the area. The best one to use is at 14450 Landfill Rd, which is off Ponce De Leon.
- Please do not attach anything to picnic tables or decks on the lakefront; holes destroy the wood.
- If you want to make any changes to your site, including plantings, please request the Site Improvement form from the office (must have at least a 6mo reservation). Signed approval must be received before making any changes. We will give you a copy of the approved request.
- FIRE ANTS? Stop by the maintenance building for granules that destroy the mound. If no one is there please stop by the Reservations Office. Keeping the mound moist will settle them down. Please note the difference between the Fire Ants (dome-shaped mounds) and the beneficial Pyramid ants (circular crater or mound around an entrance hole). Pictures are on bulletin boards.

Housekeeping

- We have replaced 3 laundry machines that kept breaking down.
- Dedicated Machines for Pet bedding are in the Maintenance Bldg. Laundry
- If you see a problem or an area that needs attention, please call the office.
- Purchase rolls of quarters at Reservations Office, Mail Center, or Activities Office
- Please do not leave clothes in the washers or dryers unattended. If you must leave while the machines are running, please return as soon as possible so all guests can use our facilities.
- **Please do not use Canadian coins** in the laundry machines; they will jam the mechanism and keep the equipment from operating.
- We have high-efficiency (HE) washers and any excess detergent causes lots of bubbles that can overflow the machines and floor drains. **Please use HE detergent** as the excess bubbles cannot be drained. It also causes your laundry to not spin and drain correctly, resulting in overly wet clothes. **If you use detergent pods, please add them to the empty washer drum before adding clothes and water; the pod must be placed directly in the drum, never in a dispenser drawer.**

Guest Services/Activities (352) 593-5852 Option #3
